Dear Mr. Jaffe,

The forced molting of layer hens is a cruel and inhumane practice. It is so cruel that Great Britain banned it in 1987. Most European countries do not allow food deprivation for more than 24 hours. Why are there no laws protecting layer hens in North America?

I support the petition to ban the forced molting of layer hens (docket 98P-0203/CP).

Sincerely,

Burton Kaplan
